that medium appears to be doubted. ANOTHER diabolical pirney. The Georg An-Durrent accounts are kept and interest allowed ked the night before last near the Ly-co-moon; columns did visub the Coast but as they ran a 210,000 on Bulldings or on Goods stored therein. The brig was carried by surprize by means of tolerable risk of being surrounded they returned stink pots. The master was brutally murdered and the mate badly wounded. There was very little to steal, so that the ruscals must have attacked the wrong vessel. So much more for the opposition tactics of American steamers, for the glorious humani-

ty of British luw, and for the excessive sin-London, and on the General Oredit and finance profits to be given as a bonus on the balances pidity of Hongkong juries. Horrible Piracy and Murder. THE Danish brig George Andreas left Hong. down on the brig, firing muskets and thrownever baying been loaded. About a hundred walls. men of the pirate bont with blackened faces It should be stated that these troops which are and armed with spears and pistols boarded and being sent from Shanghai to Fuhkien proceedexchange for the Receipt granted by the Company pirates, took porsession; of most of the before them. cargo then scuttled the vessel and left her and

her officers and crew to their fate. They managed to bring their vessel this part in The police authorities communicated the One of H.M.'s transports was burriedly despatchanforv this morning. affair to the Senior Naval Officer who iza- ed for Galle with R.R.H. on the 17th inst. In the mediately despatched a gunboat to seek for hope of catoling the steamer thither which would the pirates. An inquest will be held this exening on he body of the unfortunite Captain.

BI-MONTHLY SUMMARY From O hina Overland Tinda Report. THE last issue of this report was dated the 15th Ulto, having been published for transmission per Singapore despatched on that data. The intelligence contained in that issue may be thus briefly summarised. Tseng-kwo-fan, the Governor Genorni of the Two Kings and the leader of the anti-foreign party, has long been suspected of am- the redity.

bitious designs, and having, from the great poteney which he had assumed, excited the envy of an an opposing faction, had been ulted to appear at Peking to answer grave clurges of peculation, robollion. The Mondarine strove to make it up- to political matters. pear that the Taiping insurgents had menacod Hangehow, and had captured Uhungehow (buth in the province of Kiangen) but it was whispored in high quarters, that Tsong had holated the standand of revolt and that most of the vast army which he commanded having joined his standard the disturbances alfuded to had reference to the struggle for the mastery between this troops who The great and hangful influence of this high mandarin was dilated on. He has been clothed with irresponsible powers, and has been gulley of nepotism and extertion to an unlimited extent, He has had the control over the customs revenuesthe Futai Le, of Soochow natoriety, was his Licutenant, and all the conflicting and harrassing disputes which so perpetually took place between the

was viewed with distrust and apprehension. The Taipings still held Changehow, and it was pronesticated with too much confidence, that they Liverpool, the Bunk of England, and its Head would take a place of great military importance The progress of avents at Japan were referded Branches. The Bank also draw, on its own by the winter which was very severe. A runner in anticipation of the treaty.

Shanghal Journal which possesses the best means or information; and which has the character of being ander Mandarin influence, is perfectly silent on the subject. A Hangkong Journal which is The Bank also discounts approved Local Bille rather pelobrated for apostacy, and sophistry, indulges in a maze of mendacity for the purpose of showing that there is no truth whatever in the rumor. The following circumstances may be relied on as facts, let. There are no Tulpings in the neighbourhood of the Province of Kinngsu. 2nd. The garrisum of Hangehow revolted. 3rd, Insurgents of some sort, either attacked or tack Chungchow (Hangehow and Chungohow being both in Klangsu.). 4th, stockades were lately crested TULEOWAY'S PILLS and OINTMENT have around Southow. 5th. San-ku-lin-sin openly laid

kwo-fan. 6th. The latter was cited to appear at ordered to be returned

Regarding the Taipings who are in possession of Changebow, the public have been outirely misled. They are brig ands of the most repulsive strong. r are really small, but their mode swells their ranks and makes them Their numbers than they appear. The cruelties of Impressmen hich they commit on the country ly be exaggerated. Their mode o make a sudden attack on a vitand object being to dapture al n to recruit their runks. A genulation occurs, which circums the Talpings, they pursue and crul flight of the po

slaz all fugitives

overtaken and star

are ruthlessly slain,

and everything not carried off is wantonly des-This mode of praceedars marked the track of the

beset with dangers and difficulties. The country people are so exaspersted against the insurgents, that they instantly kill any flighties from the clation returns to the assured of each year at the clation returns to the assured of each year at the clation returns to the assured of each year at the Taiping ranks they can lay their hands on. The Taipings oblige all who serve under them to allow of the profits of the Company for that year dividthe hair to grow, and the appearance of a fugitive ed pro tate to the amount of premium paid by in the open country with long hair is certain destraction. On the other hand if a captive, meditathe Taiping lines, he runs a great risk of detection when decapitation instantly follows. Tio such an extent do the insurgents carry their measures against describes, that all of their numbers who fail out of their ranks exhausted in the in their Oircular dated 14th October 11st)

rapid long marches which attend their formys received authority from the Secretary of the rapid long marches which attend their formys received authority from the Secretary of the rapid long marches which attend their formys received authority from the Secretary of the rapid long marches which attend their formys received authority from the Secretary of the ed that their troops are often overleden with Premium under certain droumstances, on private plubder, the crucky which marks their progress residences and or Furniture and effects therein plubder, the dructry which marks their progress is a more easily conceived than described.

As for their process position in the Funkien Province. The chief in charge at Changelow is not the head of the movement. There appears to lie a number of predatory Ohiefs, who form a confidence are more tumerous them are generally hordes are more tumerous them are generally hordes are more tumerous them are generally parts of the Fahkien province besides Changebow at the chow. There is a city called Tingchow at the chow. There is a city called Tingchow at the contents will therefore remain as follows until further notice, viz: foot of the Boken bills, which there is no doubt notice. vis :they occupy, and the Oblef there has more influ-

It is an error to suppose that these insurgents Other Dwelling Houses (Similar Lave free communications. The Mandarins are ly gituated) addition contents..... in more force than was reported, and the animosihas no telegram, ty of the Country people is most intanse. Their-somewhere. The political intelligence correddesires to take Tougsan, the place refered to in borrates the telegrams of 4th March brought last report, because of the reasons then adduced. on per Benarce, but the commercial news by He healed a strong force and commenced to route called Champo, which he did with great difficulty. He left a force there and returned Obangchow, expecting to be able to establish a dreas which left this a few days ago for the communication with the seaboard, and so obtain North laden with Rice, was suddenly attact the arms ha requires so much. A few predatory to grant Policies against Fire to the extent of

a village or two which came in their way. . With the co-operation of other insurgent lead ers the Ohnngehow chief memaced the important commercial emporium of Chenchow. The Mandaring were too strong for them and they retired, but they obtained a tramendous quantity of booty by sacking the towns and villages on the way. The principal part of the booty consisted of captives and rice. For days these literally poured into Changebow. However their roign is likely to be short i

Fuhkien, although the probability is that they will kong at six o'clock on Thursday morning be simply driven to places hitherto free from with a cargo of Rice for Swe tow. At six their presence, The expedition which is being o'clock in the evening of the same day, when embarked at Shanghal is both numerically and near Single, Island a large piratical junk bore really more formidable than it was reckoned. It drilled and have foreign and effective officers. 1 ing stinknote. Notwithstanding that the bein is a moral certainty that the rebel occupation of was armed with two large gues shakeems to Changehow will only last a few hours after these have made little if any defence, her guns artitlery corps plant their gans within range of

CHAREHOLDERS are invited to call at the took possession of the brig. The Captain tored to Shanches without any commission CHAREHOLDERS are myner to can as the Company 35. whose name is Abrenholdt seems to have Their moreh consequently resembled that of an Queen's Read, for the purpose of Signing the Deed been disposed to resist for he was shot dead invading army. Their pay is also in arrears. of Settlement and taking delivery of the Serip in by a bullet through the breast and was cut and they appear to be for from desirable neighof the men are seriously wounded. The country peop's of Fubkien have a sad prospect viz: there is little more nelitical news. Trade at Tientain has opened badly, and the neighbour-

hood appears to be agitated by Mongol freebooters. The Due de Brahant is said to have received a telegram requiring his instant return to Europe. Godowie, Offices, Shops, &c., and } 1 per C There was a general meeting of the Hongkong explanation of the Directors as to the appropria-

It is almost needless to say that the shippers of Cotton from Olina will be heavy losers. It is however most fortunate that the supply was short, and the native demand good. Otherwise the shipments would have been greatly in excess of what they have been. There is decidedly an appearance of the loss of commercial confidence, but it is to be hoped that the naticipation will exceed

The intelligence from Japan is almost nil. The distoyulty and mismanagement. He had refused to opening of Hiogo in unticipation of the trenty bus
